## WE NEED OFFICIALS !

- Do you enjoy tennis?
- Do you have an interest in seeing tennis played under the best conditions?
- Would you like to make a valuable contribution to a sport you love?
- Do you enjoy a challenge?

We need trained, certified officials for tournaments throughout Colorado.

If you are interested in learning about our training programs and work opportunities, our contact information is on back of this brochure.

### What do tennis officials do?

Tennis officials work in various roles to ensure that the Rules of Tennis are enforced and that the matches are conducted in the fairest possible conditions. Officials also assist players by responding to questions about rules and by resolving other problems that may arise.

### Specific Roles

- Roving Official—oversees many courts.
- Referee—supervises all aspects of play during a tournament and is a member of the tournament committee.
- Chair Umpire—responsible for conducting one match, calls score.
- Line Umpire—call all shots directed to their assigned line.

### Where does a tennis official work?

- Junior / Adult Tournaments
- Adult Leagues
- District Events
- Sectional Events
- National Amateur Events
- Collegiate Dual Meets and Tournaments
- USTA Challenger Events
- Professional Tournaments
- U.S. Open

### Training

Officials must attend classes to learn rules and procedures and take yearly tests to become and maintain USTA Certification. New officials are mentored on-court and after training will be eligible to work at various events.
